A CUP OF COFFEE...

In my research for these articles, I have come across some interesting tidbits and articles that I've saved. The following is one of them that made me think about how I behave and my reactions to life when things don't go as planned. Enjoy and hopefully it will help you be a better person for the day.

You are holding a cup of coffee when someone comes along and bumps into you, making you spill your coffee everywhere. Why did you spill the coffee? You spilled the coffee because there was coffee in your cup. Had there been tea in the cup, you would have spilled tea. The point is whatever is inside the cup, is what will spill out. Therefore, when life comes along and shakes you (which will happen), whatever is inside you will come out. It's easy to fake it, until you get rattled. So, we have to ask ourselves, "What's in my cup?" When life gets tough, what spills out? Joy, gratefulness, peace and humility? Or does anger, bitterness, harsh words and reactions come out You choose! Today let's work towards filling our cups with gratitude, forgiveness, joy, words of affirmation, kindness, gentleness and love for others.

I hope you are enjoying your summer, taking time to enjoy family, friends and life in general. And working towards filling your cup with goodness and joy!

ROSARY REQUESTS. . .

...last week, we asked for any rosaries that you might have, but do not use. We have all received a rosary in the mail, a souvenir, etc., that you might not need or use anymore. A group at St. Isidore's makes rosary for distribution. And that group could use any broken rosary or parts of a rosary. So, if you have any broken rosaries, please consider putting them in the box in the entry way of the church and we will get them over to the group. We will continue to collect rosaries for Deacon Eddington of Owosso.
