MADE FOR HAPPINESS. .

Did you make it to Lansing/East Lansing for the spectacular event offered by the diocese last week-end? If you were there, you probably don't need to read this. However, if you weren't able to make it, continue reading. Unfortunately for me, I was only able to attend one of the speakers and the 4:30 Mass. But that was enough for me to realize two things:

1. I missed a great opportunity by not being able to attend the entire program. And
2. What I was able to hear and see was GREAT!!!!

This was an opportunity that I had never experienced before and I can only hope that I will get another chance to take part in something like this! Everyone who worked on this program is to be commended. There was so much offered—starting with the procession from St. Mary's Cathedral to the last blessing imparted on the attendees by Bishop Boyea at the end of Mass. Although I did not take part in the procession, I did get to see some pictures that were taken by Mike Mapes. To say it was impressive is to put it mildly. He has posted some great pictures of the procession on Facebook. If you have a computer, take a look at them. Then three speakers gave wonderful talks. And again, I only caught one speaker's presentation. But that one, from Deacon Larry Oney, got me into the spirit of the day! From his opening words to his final "Amen", I was inspired. We then had a short intermission and a procession of priests from around the dioceses made their way to the Altar. Mass began and the greatness of the day continued. The music was special, the congregation responded enthusiastically, and it was a memorial celebration. There were people of all ages present from babes in arms to senior citizens and every age in between. It was gratifying to see so many young teens and young parents enjoying the day. Our church is alive and well. Let's keep the happiness going. If you ever have the opportunity to take part in an event similar to this one, please do not hesitate. It is a spiritual life changing event! The events of the day will be broadcast on EWTN at a later date. Also, be sure to check out the wealth of information that is offered on the internet at: Formed.org. Our parish code is NH8RB3. It is easy to navigate, register and all for FREE! It can also be downloaded on a smart phone. As we were told during the events of the day: You must spread our faith by your words, your life and most importantly by your actions. Make each one count!

P.S. Watch this space for more information on a event that is coming to St. Cyril's in November — it will be a chance for your to renew and strengthen your faith.

MISSION PREACHING

Next weekend, Oct. 6 & 7, we are pleased to have Fr. Tomy Kattikanayil, a priest from the Congregation of the Missionaries of St. Francis De Sales (MSFS) founded in France in 1838 by Fr. Peter Marie Mermier to spread the renewal of faith in the love of God, plant the Gospel in mission lands of Africa and develop the society through evangelization and education both spiritual and material, provide institutions of formation of priests and catechists, establish spiritual centers to continue the work of St. Francis De Sales in our modern time. Fr. Tomy Kattikanayil will speak to us on this work of the Missionaries of his Congregation in Africa where he worked and seek our support and participation in their ministry to the world.

IS YOUR CHILD REGISTERED

for Faith Formation classes? If you have not done so, there is still time. Classes meet every Wednesday from 6 to 7 pm (no class if school has been cancelled). Your responsibility as a Catholic parent is to make sure that your child's religious education continues through and including high school years. We should be bringing our children to Mass each week-end along with having them attend formal religious education classes. You as a parent are the first teacher, let us help you do your job with our Religious Faith Formation Classes. If you have already registered your child—*congratulations*. If you have Catholic friends who have not registered their children, please let them know that classes have started and we'd love to have them attend. See you on Wednesday at 6 pm!
