GUIDELINES. . . There are guidelines for many things, many times, many reasons. Sometimes they help us solve a problem, other times they are there to help us operate a machine. Sometimes we read the guidelines, other times, we skip it, thinking we know best! I received some guidelines from a friend that I would like to share with you. There are 10 of them, so I will be sharing them for the next few weeks, as space allows. If you miss any of them, you can catch up with the bulletins that are published online. And if you don't have access to the internet, please feel free to contact me and I'll happy to print you off a copy of any you might miss. And with that —here's the beginning. . .

Ten Guidelines from God. . .

Effective immediately, please be aware that there are changes YOU need to make in YOUR life. These changes need to be completed in order that I may fulfill My promises to you to grant you peace, joy and happiness in this life. I apologize for any inconvenience, but after all that I am doing, this seems very little to ask of you. Please follow these 10 guidelines:

1. **QUIT WORRYING:** Life has dealt you a blow and all you do is sit and worry. Have you forgotten that I am here to take all of your burdens and carry them for you? Or do you just enjoy fretting over every little thing that comes your way.
2. **PUT IT ON THE LIST:** Something needs being done or taken care of — put it in on the list. No not YOUR list. Put it on MY To-Do-List Let ME be the one to take care of the problem. I can't help you until you turn it over to me. And although My To-Do-List is long, I am after all . . . **GOD!** I can take care of anything you put into My hands. In fact, if the truth were ever really known, I take care of a lot of things for you that you never even realize.

To be continued next week . . .
