

## GUIDELINES FROM GOD, continued. . .

Last week, God gave us three more guidelines—trust, leave it alone and talk to God. This week, we continue with more from Him. . .

6. **HAVE FAITH:** I see a lot of things from up here that you can't see from where you are. Have faith in Me that I know what I'm doing. Trust Me: You wouldn't want the view from My eyes. I will continue to care for you, watch over you, and meet your needs. You only have to trust Me. Although I have a much bigger task than you, it seems as if you have so much trouble just doing your simple part. How hard can trust be?

7. **SHARE:** You were taught to share when you were only two years old. When did you forget? That rule still applies. Share with those who are less fortunate than you. Share your joy with those who need encouragement. Share your laughter with those who haven't heard any in such a long time. Share your tears with those who have forgotten how to cry. Share your faith with those who have none.

8. **BE PATIENT:** I managed to fix it so in just one lifetime you could have so many diverse experiences. You grow from a child to an adult, have children, change jobs many times, learn many trades, travel to so many places, meet thousands of people, and experience so much. How can you be so impatient then when it takes Me a little longer than you expect to handle something on My To-Do-List? Trust in My timing, for My timing is perfect. Just because I created the entire universe in only six days, everyone thinks I should always rush, rush, rush.

*Next week, the conclusion. . .*
