**RANDOM THOUGHTS TO PONDER...

Smiling is infectious. You catch it like the flu. When someone smiled at me today, I started smiling too. I walked around the corner and someone saw me grin. When he smiled, I realized I had passed it on to him. I thought about the smile and then realized its worth. A single smile like mine could travel round the earth. So if you feel a smile begin, don't leave it undetected. Start an epidemic and get the world infected.

*Until God opens the next door,
praise Him in the hallway.*

I believe churches are meant for praising God. But so are 2 am car rides, showers, coffee shops, the gym, conversations with friends, strangers, etc. Don't let a building confine your faith because we will change the world by just going to church, we need to be the church.

If you wonder where you should be - look at your feet. You are exactly where you are supposed to be.

You are holding a cup of coffee when someone comes along and bumps into you, making you spill your coffee everywhere. Why did you spill the coffee? You spilled the coffee because there was coffee in your cup. Had there been tea in the cup, you would have spilled tea. The point is whatever is inside the cup is what will spill out. Therefore, when life comes along and shakes you (which will happen), whatever is inside you will come out. It's easy to fake it, until you're rattled. So, we have to ask ourselves, "What's in my cup?" When life gets tough, what spills out? Joy, gratefulness, peace and humility? Or does anger, bitterness, harsh words and reactions come out? You choose! Today let's work towards filling our cups with gratitude, forgiveness, joy, words of affirmation, kindness, gentleness and love for others.

** As usual, these thoughts are not my own, but some that I have read in different places and share with you.

SUMMER TIME SUMMER TIME. . . Unbelievable that summer is almost over. With the end of this season, some things will be starting up again. One of those things is **MOVIE NIGHT AT THE HOLY FAMILY THEATER!** We show movies on the first Monday of each month. This year, Labor Day Holiday falls on that first Monday. After some discussion, it has been decided to **NOT** have a September movie. Movies will start on October 7th. The first movie will be *"The Green Book"*. This movie was released just this past year and deals with social justice and discrimination. If you haven't seen it at the theater, mark your calendar and plan on attending. If you have already seen it, consider coming and sharing your thoughts about the movie with the group! See you on October 7th. At 6:30 pm.
