Are you important? What you do in life, is it important? Do you have a certain job to do, within a certain amount of time? Do you ever feel like what you are doing is not important? Read this story — which character are you?

An elephant and a dog became pregnant at same time. Three months down the line the dog gave birth to six puppies. Six months later the dog was pregnant again, and nine months on it gave birth to another dozen puppies. The pattern continued.

On the eighteenth month the dog approached the elephant questioning, "Are you sure that you are pregnant? We became pregnant on the same date, I have given birth three times to a dozen puppies and they are now grown to become big dogs, yet you are still pregnant. What's going on?"

The elephant replied, "There is something I want you to understand. What I am carrying is not a puppy but an elephant. I only give birth to one in two years. When my baby hits the ground, the earth feels it. When my baby crosses the road, human beings stop and watch in admiration, what I carry draws attention. So what I'm carrying is mighty and great."

Don't lose faith when you see others achieving their success. Don't be envious of others results. If you haven't received your success, don't despair. . . .

Say to yourself "My time is coming, and when it hits the surface of the earth, people shall yield in admiration.

SUCCESS! Movie night was an overwhelming success with over 30 people who came out to view the GREEN BOOK. Discussion after the movie was great and many thoughts were shared. Although the next movie to be shown has not been decided yet — you can still mark your calendar for Nov. 4th — same time, same place! Hope to see you on the 4th!

HELP! Holy Family Parish had it's first Mass in 1966. Along with the opening of this church, we were able to bring children into the faith by holding religious classes. One of the most important classes was the preparation for the sacrament of First Eucharist. This special occasion was immortalized with group pictures. Through the years, we have lost some of these group pictures. The Confirmation students are starting a new project this year. They would like to display the group pictures of our First Communicants through the years. They have many pictures, however, they are missing some years. The first picture we have is from 1978 and we continue with pictures through 2004. After that we are missing pictures. Does anyone have a copy of the early years—1966 thru 1977? Or do you have the group pictures from 2005 to the present? If you do and are willing to share it, please let Ginger Kusnier know or call her at 834-2512. She would like to make a copy of it for the display board. Also, we would need the students identified! Any help in obtaining a copy of a group picture with identification will be greatly appreciated.
