PARISH PRIESTS. .

.there are so many things that priests can do. Especially faithfully preside over Week-end Mass with no desire fame. However, there are some things no priest can do:

- READ MINDS.** Everybody know that, but many church members hold the parish priest accountable for unstated expectations.
- BE EVERYWHERE.** No human being can be every place at once, yet some parishioners still get angry when the priests have to say "No".
- CHANGE HEARTS.** Only God can do that.
- KNOW EVERYTHING.** Most priests study hard, but nobody can answer every question somebody asks.
- PLEASE EVERYBODY.** Even Jesus couldn't do that.
- LIVE SINLESSLY.** Nobody can. . .including you and me. We're all sinners.
- GROW CHURCHES.** If the church does grow, it's because God does it.
- MULTIPLY DOLLARS.** That's too bad, since most churches could always use a bigger collection.
- ESCAPE MISTAKES.** All of us will mess up sometime, often unintentionally and even unknowingly.
- AVOID FAVORITISM.** Priests minister to everybody, but having better (and best) friends is natural.
- REVEAL EVERYTHING.** No matter how much you may want to know the details, priests may not be in a position to tell you.
- IGNORE SIN.** Priests must address this issue, even when it's not popular.

Let us always remember that our priests are human like you and me.

MISSIONARY APPEAL

This weekend please welcome a visiting Missionary, **Rev. Anthony Muthu**. He will speak about the missionary activities and challenges of the Diocese of Kumbakona, India. Our second collection today will be for the missionary activities of that Diocese. You may write a check out to Holy Family Church as usual and mark "Mission Appeal" in the memo section. We welcome Rev. Anthony Muthu!

HELP! Holy Family Parish had it's first Mass in 1966. Along with the opening of this church, we were able to bring children into the faith by holding religious classes. One of the most important classes was the preparation for the sacrament of First Eucharist. This special occasion was immortalized with group pictures. Through the years, we have lost some of these group pictures. The Confirmation students are starting a new project this year. They would like to display the group pictures of our First Communicants through the years. They have many pictures, however, they are missing some years. The first picture we have is from 1978 and we continue with pictures through 2004. After that we are missing pictures. Does anyone have a copy of the early years—1966 thru 1977? Or do you have the group pictures from 2005 to the present? If you do and are willing to share it, please let Ginger Kusnier know or call her at 834-2512. She would like to make a copy of it for the display board. Also, we would need the students identified! Any help in obtaining a copy of a group picture with identification will be greatly appreciated.
