THINK YOU KNOW IT

ALL? I thought I knew “enough” until I read this article. I do believe it has some great words of wisdom in it:

Everything I need to Know about life, I learned from Noah’s Ark. . .

1. Don’t miss the boat.
2. Remember that we are all in the same boat.
3. Plan ahead. It wasn’t raining when Noah built the Ark.
4. Stay fit. When you’re 600 years old, someone may ask you to do something really big.
5. Don’t listen to critics; just get on with the job that needs to be done.
6. Build your future on high ground For safety’s sake, travel in pairs.
7. When you’re stressed, float awhile.
8. Speed isn’t always an advantage. The snails were on board with the cheetahs.
9. Remember, the Ark was built by amateurs; the Titanic by professionals.
10. No matter the storm, when you are with God, there’s always a rainbow waiting.

**2019
CONTRIBUTION REPORTS**

The 2019 reports on the weekly offertory are now ready to be picked up in the hall. They are in alphabetical order.

VOLUNTEERS NEEDED—

With winter weather, many of our quilters have “flown the coop” —yep, our snow birds have left for warmer weather. Would you consider volunteering once or twice a month to replace a “snow bird”? You do not need to know how to quilt — we need help in other areas. Come join us on Thursday at 9 am for a couple of hours and help someone else.
