GOD'S HAND is all around us. Just think about it. . . He made birds that fly through the air without any extra equipment, fish that live in water without anything extra, a sun that rises and sets every day without any help. And the list goes on. Look at the world around you and you will see so many times where God got it arranged PERFECTLY. Example—look at the English alphabet. He arranged them in such an intelligent manner that they show you the way of life:

Always Be Cool. Don't have Ego with Friends and Family. Give up Hurting Individuals. Just KeeP Loving Man-kind. Never Omit Prayers. Quietly Re-member God. Speak Truth. Use Valid Words. And finally Xpress Your Zeal. *

* And no I didn't figure this out. This came from a website called the "Casual Christian Comedy". God made us all and when we can't laugh at ourselves, then we've got a problem. He gave us the gift of laughter, so enjoy!

A merging Catholic Parish serving the Communities of Ovid, Elsie, and Laingsburg. Come join and worship with us.
