2ND WEEK LENT and our

Walk to Jerusalem. . . Did you sign up and start your Lenten walk to Jerusalem? If so, how are you doing? Did you turn in your miles? And if you didn't sign up, there is still time. Just add your name to the sheet on the table in the hall. Then start "walking" - either physically or spiritually by praying. The following was sent to me and I think it has some great thoughts for our walk:

"None of us know how much time we have here on earth. It is probably the most precious gift God has given us, and we can do nothing to add more of it to our lives. Because it such a valuable gift, we should think about how we can return a portion of it to God as a way of offering thanks. The best way is through prayer—to use some of our precious time in prayer. It might be in personal prayer, or it might be during the Mass with our other brothers and sisters in Jesus. We do need to use a portion of our time to offer real praise and thanksgiving to God. We are in the season of Lent in the church when many of us increase our time of prayer. One of the things I like most about Lent is that it can be a very personal time between us and God. Each of us has the ability to decide for ourselves how we are going to live our lives as Catholics, and how that life includes regular prayer. But let's not let Lent be the only time we think about and offer time in prayer. It is good for us to pray." (From St. Clement of Rome bulletin)

This article ties in with our Walk to Jerusalem program. We should all be able to find some extra time for prayer. How about these times to add a few extra prayers: doing dishes, making the bed, running the vacuum, laundry time, filling the car up with gas, turning off the radio in the car and filling the silence with a prayer or two. There are many audio apps for our smart phones that allow you to pray while doing something else. These are all ways you can add miles to your tally each week—and don't forget, if you take a walk, take your rosary along and pray it — then credit yourself with 2x miles! Check out the map in the hall for our progress!

SEE YOU IN JERUSALEM!

AND WE'RE WALKING, WALKING TO JERUSALEM!

It's not too late to sign up and start logging miles for our Walk to Jerusalem. Sign up sheets are on the table in the hall. The early mileage for Holy Family is 404. Next week we will have a combine total. Let's get to Jerusalem!

EASTER TRIDUUM CHOIR

Choir practice for the Easter Triduum will begin this Sunday, March 7, at 6:00 PM at St. Isidore. Members from both Holy Family and St. Isidore are invited to attend. You don't have to have a great voice or be able to read music: you just have to want to sing. Even if you can't attend all three Triduum services, we would love to have you sing with us for whatever you can do. "To sing is to pray twice." (Attributed to St. Augustine).

THEY NEED YOUR SUPPORT. . .

Our Confirmation Students saw a need and they have decided to do something about it. Past First Communion Classes of Holy Family were honored in a pictorial display of each class. Time has not been kind to the display. So these students have decided that a "face lift" was needed. They are going to redo the boards that display these pictures. They will supply the labor, but they need a little help in the money department. To that end, they are holding a bake sale after the Masses on March 14th & 15th. All they ask is that you stop after Mass and make a donation to their project. (And in case you are wondering, during Lent, if you gave up sweets, cake, cookies, etc. on Sunday, you are allowed to break this fast from those items according to the U.S. Conference of Catholic Bishops.
